

A3 How to Work with Texts

- 1. Choose a text according to your interest and your language competence.**
- 2. Once you have chosen one, finish it!**
- 3. Do all the exercises and check them with the key!**
- 4. Write out words/expressions you like and/or find useful. (minimum: 10 per text)**
- 5. For pair work activities organise a partner in time! If not, possible do the exercise alone!**
- 6. Do the writing task if provided; if not, choose one from the following list making sure it's suitable:**
 - a. Express your opinion about the topic**
 - b. Write an interview with the personality described**
 - c. Write a letter to the editor about the topic**
 - d. Find out more about one aspect of the text**
 - e. Write a poem summarizing the content of the text/related to the text**
 - f. Visualize the main aspects of the text in form of a mindmap/chart/cartoon/...**
 - g. Any other writing task you would like to do!**
- 7. Hand in the writing tasks immediately after you've finished them!**
- 8. Be ready to talk/report about your text at any moment!**
