

### Beilage 3

#### **ROLE PLAY - suggestions**

- 1) Try to develop a scene that might be typical of your US student's future professional life or occupation.
  - a) Invent identities (e.g. a crazy mother, tourists, customers etc.)
  - b) Where and when does the scene take place ?
  - c) Develop the dialogue
  - d) Rehearse the scene
  - e) If you find it necessary or helpful, give a brief introduction to explain what you are going to show.
- 2) Try to integrate one or more of the following aspects:
  - a) a phone call
  - b) forms of greetings
  - c) typical Americans/Austrians
  - d) use clichés (e.g. all Austrians wear leather trousers), prejudice
  - e) refer to politics, or environmental problems
  - f) language: use local dialects, some German sentences (also the US-students!, translate, create misunderstandings)
  - g) be aggressive, apologize, make peace, solve a problem
  - h) make fun of a situation, exaggerate
- 3) Do not seek perfection! Watch the time limits!
